## Program of Support Activity fees

As of January 13<sup>th</sup> 2021 Aspect Adult Community Services (AACS) offers a Programs of Support service delivery model, providing participants 12 week program options across 4 terms, 5 days per week.

**Program of Support Activity Levies** apply to each activity a participant agrees to engage in across an agreed period. These levies support the program's running costs, including facilitator and program resources.

Program of Support Activity Levies will be clearly communicated to you through the annual Program of Support calendar, via the Aspect website and through individual participant term's timetables. Aspect sends an invoice for applicable activity levies in advance of the participant's Program of Support period.

For participants attending **full-day service hours**, Aspect charges a 6.5 hours daily charge for face to face supports, inclusive of a daily non face to face (indirect

services) fee of 5 minutes per hour with a maximum of 30 minutes per day.

**Non face to face costs** cover indirect services such as report writing, completion of individual support planning information and daily progress notes.

## Shadow & Establishment fees

**Shadow fees** (complex individual support needs) and **Establishment fees** (support for new participants, changing providers) are not included in this pricing list as they are agreed with the participant and Aspect Adult Community Services. For more information on these fees, please refer to the *NDIS Price Guide 2020- 21*, page 25.

The establishment fee is a once off charge and will not be charged again for future participant NDIS plans. Aspect will claim a once off Establishment Fee of \$ 554.70 for new participants to assist them with the implementation of their NDIS Plan when they agree to access Aspect Adult Community Services for a minimum of 20 hours per month for 3 or more consecutive months.

## Temporary Transition Payments

Aspect Adult Community Services applies conditional loading called a **Temporary Transition Payment (TTP)** for certain support items. The letters **TTP** appear in the relevant support items pricing description.

Aspect's TTP charges apply to face to face supports under Social, Economic and Community Participation Support Category as per NDIS guidelines.

TTP will be charged at 6% until June 30, 2021 when it will transfer to a 4.5% charge for the period July 1, 2021 to June 30, 2022.

## Centre Capital Costs

When an activity is delivered in an Aspect Centre, a **Centre Capital Cost (CCC)** is claimed by Aspect for the cost of running and maintaining the facility. The charge also applies if the activity is only partially run in the Centre, provided the Centre remains available throughout the time period of the activity.

Centre Capital Costs apply to:

- Group 104: **High Intensity Daily Personal Activities**
- Group 136: **Group And Centre Based Activities.**

## Cancellations

Participants can exit a Program of Supports at no cost, subject to a notice period of two (2) weeks.

Aspect claims 100% of the agreed fee if the participant is not present for a scheduled session when less than 2 weeks notice of the cancellation is given.

If a participant chooses to exit a program of support on a specific day, but wishes to continue with another Aspect Programs of Support, Aspect still claims against the participant's plan for a following 2 weeks, in relation to the Program of Support they have ceased.

Please note that fees will vary in accordance with changes and adjustments to the NDIS prices.

The fees in this guide are based on the NDIS Price Guide and Support Catalogue 2020-21.

## Property Damage

You may be liable in covering costs to any damage to property caused by you while attending Aspect Adult Community Services.

Decisions around liability of covering costs to property damage will occur after individual incident investigations and determining risk mitigation processes were following by Aspect and the participant.

If held liable, Aspect will send you a detailed list of damages and associated costs for you to pay via invoice.
