

Open your **Google Chrome Browser** Version 72 or later (Video Call also works on Safari Version 12 or later on Mac computers but does not work in Internet Explorer on any computer)

Go to the Aspect Capable Employment Mentoring webpage <https://www.autismspectrum.org.au/aspectcapable>

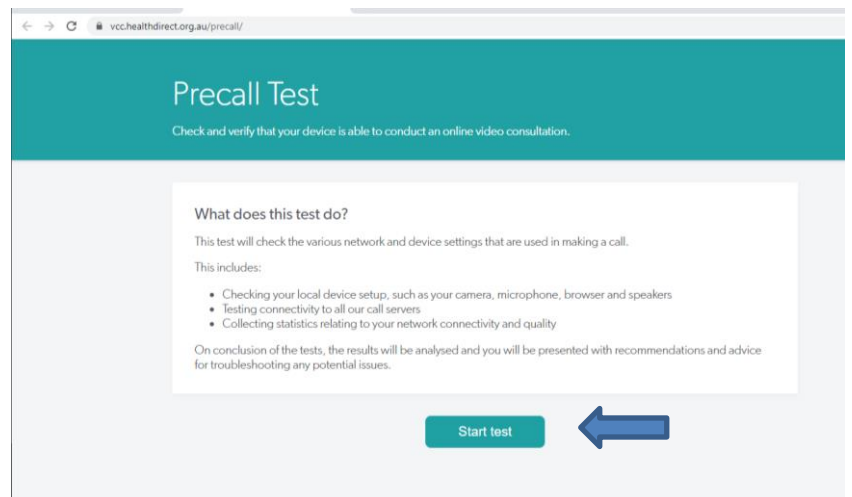

Scroll down.

If it is your first time, click on Test Video Call to test whether you have the sufficient equipment and internet capability

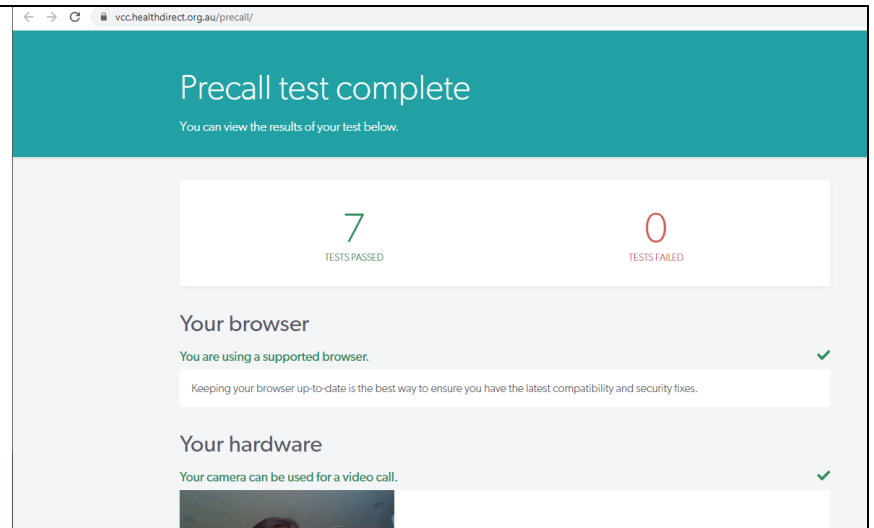

Click on "Start Test"

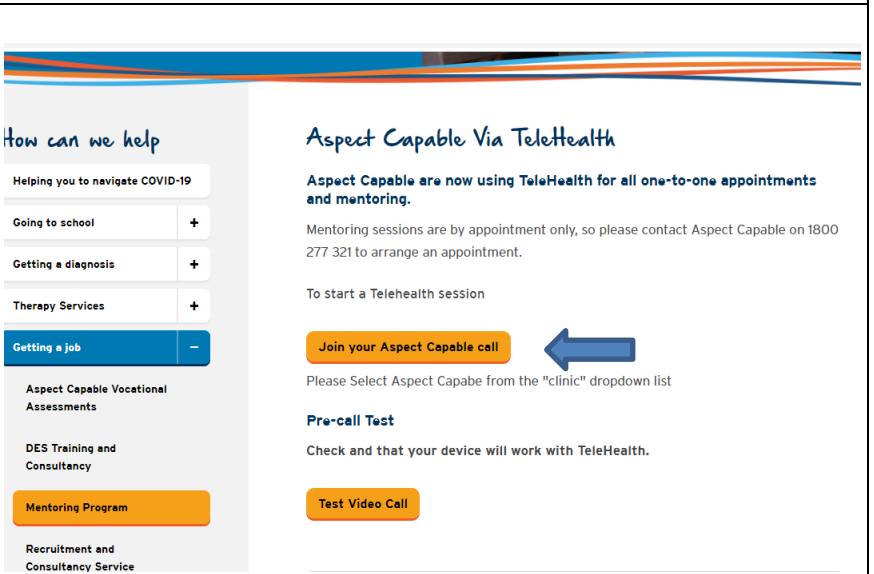

Check the results of the test. HealthDirect has a list of resources to help you trouble shoot any failed tests. <https://help.vcc.healthdirect.org.au/>

Please discuss any failed tests with your mentor and we will try to support you to access Video Call

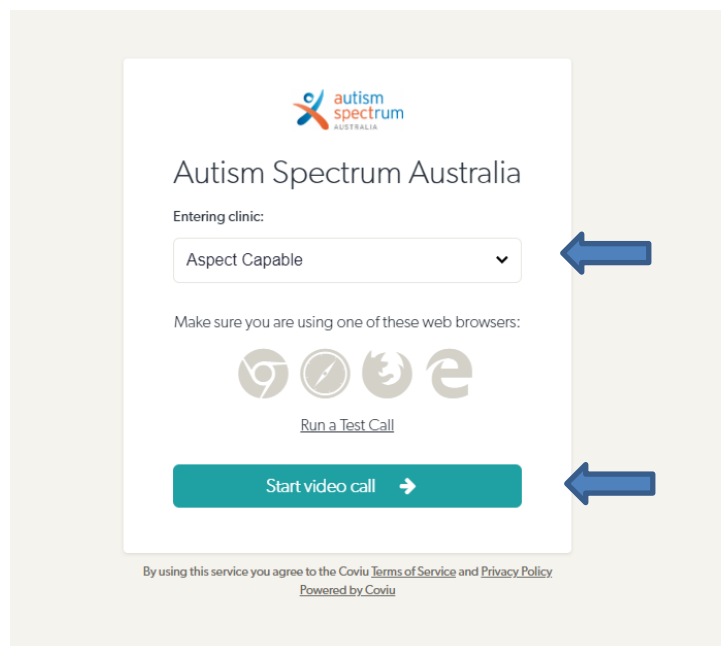

Once you are ready for your scheduled teletherapy session Click on "Join your Tele therapy call"

Entering Clinic: Please choose the **Aspect Capable** clinic from the drop down menu.

Click on "Start Video Call"

Allow Video Call to access your camera and microphone

Enter your **full** first name and **full** last name and phone number.

Accept the Terms of Use and Privacy Policy and acknowledge that HealthDirect uses cookies in accordance with its cookie policy and click continue
