Notes on Travel Charges

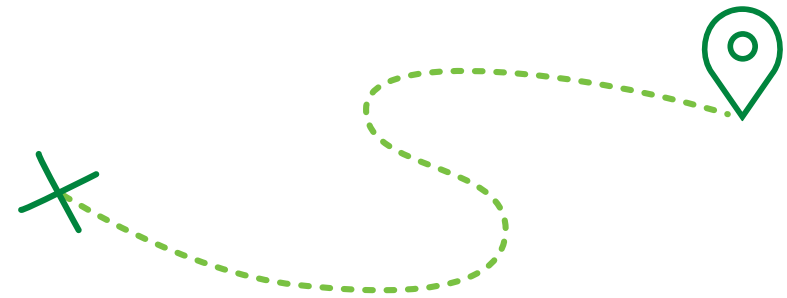

As stated by the NDIS, travel is to be charged per session for all sessions where the Therapist travels to home, school or other locations.

As per NDIS travel guidelines,

- **30 minutes** of travel per session are to be charged to participants living in the MMM 1 to 3 areas
 - an increase from the previous 20 minutes.
- **60 minutes** of travel per session are to be charged to participants living in the MMM 4 to 7 areas
 - an increase from the previous 45 minutes.

Note the relevant MMM classification is the classification of the area in which the participant lives.

You can access the MMM map here: <http://www.doctorconnect.gov.au/internet/otd/publishing.nsf/Content/locator>

Locations, as referred to in our fees' tables:

National: MMM 1 to 3

Remote locations: MMM 4 to 6

Very remote locations: MMM 7

- Aspect Therapy's travel rate remains at **15 minutes** per session for participants in the MMM 1 to 3 areas. However, this will now be charged on all sessions requiring the therapist to travel, not just a proportion of them.
- Participants living in the MMM 4 to 7 areas will be charged **between 30 and 60 minutes** per session depending on location.

All travel is negotiated as part of the Service Agreement.
