# User Guidelines - Short notice cancellations

Aspect Therapy claims 100% of the agreed fee for appointment cancellations received at short notice.

A cancellation is a short notice cancellation when:

- the participant is not present for the scheduled session (no show)
- less than 2 business days notice of the cancellation is given to Aspect Therapy

Short notice cancellation claims are discussed and noted in the service agreement.

Please note: fees will vary in accordance with changes and adjustments to the NDIS prices.

The fees in this guide are based on the NDIS Price Guide 2020-21 and the NDIS Support Catalogue 2020-21, which you can view at: <https://www.ndis.gov.au/providers/price-guides-and-information>

# Coronavirus (COVID 19) response

The Australian Government has enacted the Coronavirus Emergency Response Plan and the NDIA is taking necessary steps to prepare and support participants and providers during the coronavirus (COVID-19) pandemic.

The NDIA is collaborating with the Department of Social Services, Services Australia and the NDIS Quality and Safeguards Commission as well as health agencies to deliver the NDIA's Pandemic Plan in line with the Government's Emergency Response Plan.

Further information can be found at [ndis.gov.au](https://www.ndis.gov.au).

The NDIA is responding to the COVID-19 pandemic through a number of temporary measures for:

- Increased access to **Support Coordination**
- Low-cost **Assistive Technology**

Further details relating to these measures can be discussed with your Aspect Therapist.

These measures are in place until September 30, 2020 (at time of printing this document).
